Explore Population Growth & its Environmental Impact

7pm, Thursday, May 2, 2013

FILM: Mother, Caring for 7 Billion (60 minutes)

- The world population reached 7 billion in 2011, a seven-fold increase in 200 years.
- Explore the environmental, social and humanitarian issues that population growth has generated.
- Discover both the over-consumption and the inequity side of the population issue.
- To break this pattern, the film demonstrates that we must change our conquering mindset into a nurturing one.
